Bu	er or Authorized agent of	buyer (please print)				
Sig	nature	Title		Date		

You can use this exemption for machinery and equipment that:

- acts upon or interacts with an item of tangible personal property
- conveys, transports, handles, or temporarily stores an item of tangible personal property at the manufacturing site
- controls, guides, measures, verifies, aligns, regulates, or tests tangible personal property
- provides physical support for or access to tangible personal property
- produces steam or mechanical power for, or lubricates machinery and equipment
- produces another item of tangible personal property for use in the manufacturing operation or research and development operation
- places tangible personal property in the container, package, or wrapping in which the tangible personal property is normally sold or transported
- is integral to research and development, or
- is a repair and replacement part or repair/cleaning labor for eligible items.

You cannot use this exemption for:

- consumable items
- hand-powered tools
- property with a useful life of less than one year
- building fixtures that you affix to the building that become a physical part of the building, and are not integral to the manufacturing operation. This includes utility systems for heating, ventilation, air conditioning, communications, plumbing, or electrical.
